Grade _____

As the parent/guardian of a student at Arroyo Vista Charter School, I acknowledge and consent to the compliance of my child and myself with the technology guidelines as explained by the student's teacher, the school, and the Tech Team. When using a digital device (iPad, tablet, laptop, or computer), I acknowledge that they will accept and understand the following basic rules:

1. I will respect the privacy of other users (both students & staff) and will not make any attempts to gain access into the private logins or passwords of those users. I will not allow other users access to my login and will keep my password private.
2. I will not use language that may be considered inappropriate, including any form of profanity. If it is not language that I can use with my teachers or parents, I will not use it in digital spaces, or in any documents.
3. I will not use a computer or mobile device in any way to insult or threaten other users. I will not be a cyberbully. I will remember that many digital spaces are public (meaning that many people will see the things that I write in discussion groups) and I will act accordingly. I assume total responsibility for the content of messages and posts I create and I know that all school rules apply to any communications.
4. I will not use the Internet to access inappropriate or obscene material. In addition I will not give out personal information (including but not limited to Name, Age, Address, Gender) to public access sites over the Internet.
5. I understand that I am not to load or download or remove any software on the school computers or mobile devices. I will not bring software from home to use at school. I will not bring any school issued mobile device home.
6. I will never run or goof around when I or another student is carrying a tablet in the classroom, and I will always carry the tablet appropriately. I will follow all rules associated with the charging/sync carts.
7. I understand that when I use any computer equipment / accessories or mobile devices (like the iPad or tablet) I will treat it with care. I will never eat or drink around a computer or mobile device. I will make sure my hands are clean before using it.
8. I will keep the mobile device I am working on in good working condition and never bring it home. If the mobile device is damaged as a result of my actions my parent/guardian will be responsible for a \$540 replacement fee to Arroyo Vista Charter School.

I understand that failure to follow any and all of the rules as explained here could result in the loss of my student's computer/mobile device privileges. I will be fully responsible for a replacement fee of \$540.00 to be paid to Arroyo Vista Charter School if any damage is incurred on the device due to the student's actions.
